Monarch Basics steps up to the plate

Debi Croucher, the town's fundraising coordinator says that Canadian owned and operated Monarch Basics has a tradition of giving back to the community. "This is an extremely generous donation which goes to recognize the philanthropy and endorsement of Monarch Basics," said Croucher who was joined by Todd Palcit president of Monarch Basics. Palcit was on-hand at the February 7, council meeting to present a donation of \$15,000. The money will secure the score clock installed at the United Communities Credit Union Complex. Supporting the complex in this way was an easy decision, said Palcit, who noted that his family has "lived, worked and enjoyed the Amherstburg community for the past twenty-five years." "My family is very proud of Amherstburg," he added.
